Claims 1-37 and 39-49, renumbered 1-48 are pending in this application which is a reissue of US Patent 5,597,780, which is a continuation-in-part of SN 08/340,699, (abandoned) filed November 16, 1994.

The following is an examiner's statement of reasons for allowance:

Upon further review of the appeal brief filed September 22, 2003, it is agreed that the punctuation of original claim 1 does provide sufficient justification for interpreting the original disclosure as allowing for the antifoam agent to be seen as an optional component of the compositions. Thus, this component may be deleted from original claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to S. Mark Clardy whose telephone number is 571-272-0611. The examiner can normally be reached on 7:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thurman Page can be reached on 571-272-0602. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
